

ALW signs Fastener Agencies as industrial property tenant

ALW, a Johannesburg-based property development and management company, recently announced the signing of a five-year lease by Fastener Agencies for an industrial space totalling 832m² at the SAS Business Park in Germiston.

Fastener Agencies

Fastener Agencies were looking for conveniently located, safe, A-grade, mixed-use industrial premises for their warehousing and offices. SAS Business Park met these requirements, with its tailored space developed by the ALW team.

ALW's portfolio manager Graeme Stillwell explains, "Location plays a pivotal role in the success of industrial business, and SAS Business Park offers prime location within the industrial hub of Germiston - easy access to highways, the airport and main arterials. We have no doubt that the Fastener Agencies team will have great success at their new premises."
