Senior C# Software Developer

Location:	Johannesburg
Remote work:	Some remote work allowed
Type:	Permanent
Company:	[e-Merge IT Recruitment](#)

Are you ready to take your career to the next level? Join the esteemed team of pixel pioneers at one of South Africa's leading gaming establishments! They are currently seeking a senior C# developer who is passionate about coding with lightning speed and excels in high-pressure environments.

Your primary objective, should you choose to accept it, is to elevate our team's performance by crafting code that surpasses industry standards for stability, scalability, and performance. Your contributions will be crucial in maintaining our reputation as a premier gaming haven.

But wait, there is more! In addition to your coding prowess, you will enjoy the benefits of our flexible hybrid schedule, allowing you to achieve a healthy work/life balance. Because at our company, success is not just about conquering code —it is about conquering life as well.

If you are eager to propel your career to new heights and make your mark in the gaming industry, do not hesitate to hit that apply button. Your exciting pixelated adventure awaits!

Skills you will need:

- C#
- .NET Core
- RESTful API
- jQuery
- JavaScript
- Azure
- HTML/CSS
- SEO Principles

The Reference Number for this position is **PM57679** which is a **Permanent Hybrid** position based in **Bryanston, Johannesburg** offering a cost to company of up to **R950,000 per annum** negotiable on experience and ability. Contact Phindi at phindilem@e-merge.co.za" to or call her at 011 463 3633 to discuss this and other opportunities.
