

Checkers carb-conscious product range grows

Checkers has made some new additions to its Banting Revolution product range. The carb-conscious product range now contains over 30 products which contain less than 5g of carbohydrates.

The new additions include vegan pumpkin wraps, egg, seeds and coconut pizza bases, cauliflower and mixed pepper bread, nut loaf and seeded rolls as well as gluten free with no added sugar chocolate brownies, chocolate muffins, chocolate lamingtons and snack-sized waffle bites.
