

## **SA's Origine 8 ranks top at international trade show**

The South African green tea extract Origine 8 received the Judges Choice Award at the Natural and Organic Products Europe trade show (NOPE) in London, UK. Origine 8 is produced from live green tea within six hours of harvest through a patented Phytofare extraction process at the Senteeko Tea Estate in Mpumalanga.

The extract was voted as one of the top three out of 330 new health products.
