

Airtime on sale at cinemas nationally

You can now buy airtime at Ster-Kinekor cinemas nationwide.

Ster-Kinekor Theatres are now selling airtime through all its sales channels on its website (www.sterkinekor.com), in cinema self-service terminals, at the box office and at catering counters.

All denominations from all major networks - Vodacom, MTN and Cell-C - will be available and members of the Ster-Kinekor Movie Club will get 4% of their purchase price back in moviemoola, which can then be redeemed for movie tickets.

"We constantly aim to make things more convenient for our customers and by offering this service we make their lives just a little bit easier," says Elizabeth Lee Ming, CRM Manager Ster-Kinekor Theatres. "And for our Movie Club members, it's a case of the more you talk, the more you see".
