

Charity art sale

1000Drawings is an empowerment project that culminates in a one-night-only, massive inner-city art sale to raise funds for a deserving cause.

At the Night of a 1000Drawings, being held on 7 November 2013 at Sci-Bono in Newtown, Johannesburg, buyers will be spoilt for choice with doodles, scribbles, graffiti, sketches, watercolour and oil paintings, experimental and conceptual works, all on sale and going for a song.

At R100 a piece, buyers could get their hands on a one-of-a-kind, original work by tomorrow's big stars, or something beautiful to make you smile. For more information, go to
