

# Annual Toy Run in KwaZulu-Natal

The annual Motorcycle Toy Run Mass Ride starts at the Pavilion Shopping Centre in Durban and runs to Amanzimtoti on Sunday 24 November 2013 at 9.30am. This event is one of the largest motorcycle charity events in the world, bringing more than 100,000 bikers and their families in 11 venues around South Africa. In its 31st year, the Toy Run encourages people on bikes, on foot, on skateboards and even on four wheels, to bring toys to a central venue where toys are then distributed to children in homes and grass root care centres.
