

Savanna Newcomer's Showase - Soweto Theatre

"In stand-up you either kill or you die", stated Kagiso Lediga to the brimming audience of comedy enthusiasts who turned out in their masses to support SA's newest comedy talent at the Savanna Newcomer Showcase on 6 May. Now in its second year, this year's installment saw 36 up-and-coming comics each get five minutes on stage at the Soweto Theatre before being buzzed off by the event's outstanding MC, Kagiso Lediga.

As well as friends and family of the cast and stand-up fans, the audience was made up of over fifty of SA's top comedians such as Alyn Adams, Celeste Ntuli, Jason Goliath, Ndumiso Lindi and Eureka Nkese. They'd all been invited to see the newcomers in action so that they could cast an informed vote in the Savanna Newcomer Award category at The 4th Annual South African Savanna Comic's Choice Awards® (CCA), which takes place in August.
