“There has been a huge interest in the large variety of BMW GS 1200’s amongst our customers so it made sense to have a GS 1200 for this month’s giveaway.

The 1200 GS is fitted with brand new rubber from Dunlop with Henderson Racing and checked with TEXA diagnostic equipment,” said Craig Langton. The BMW R1200GS can be viewed at Fire It Up’s showroom, seven days a week. At the same time, customers can enter in store.”

The Fire It Up’s win a superbike promotion moves into its fifth month gaining momentum each month with entries growing for every competition.
