

Tsogo Sun Silverstar Casino donates 189 staff hours for Mandela Day

The Tsogo Sun Silverstar Casino donated more than 189 staff hours and over R700,000 in various upliftment projects in celebration of Mandela Day. Its beneficiaries include the Bethany Trust House, which has several homes and centres under its care in Krugersdorp, as well as the Tower of Life, which shelters for men and women, and several others.

Silverstar also joined forces with Breadline Africa and built a prefabricated library at the Munsieville Primary School. Silverstar volunteers filled a 3m X 3m sandpit with beach sand left over from 'The Beach' festival in December at the Polokego Shelter for Abused Women and Children in Krugersdorp.
