Does your product packaging allow for different merchandising options? Is your product getting noticed in the busy retail environment?

If you answered NO to these questions, now may be the time to call Pyrotec PackMedia and change your answers to YES.

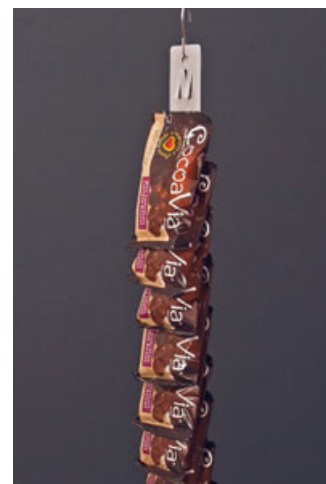

Pyrotec PackMedia offers a range of hang tabs and display strips to manufacturers and retailers who want to see their products sold.

The hang tabs are plastic self-adhesive hangers which can be easily applied to products making them peg-ready so they do not lay flat on shelves in retail stores.

The hang tabs have been designed by our USA supplier, Do-It® Corporation, and offer various styled hang tabs to suit your packaging needs.

Contact Pyrotec PackMedia on 021 787 9600 or do-it@pyrotec.co.za to increase your sales through professional and organised displays, increased impulse buying, and cross-merchandising.

We will be exhibiting at the Propak Africa exhibition which takes place from 15–18 March 2016 at the Nasrec Expo Centre in Johannesburg. Visit us in Hall 6, stand E18 and view our various hang tabs and display strip options.
