

Sanef disapproves of Tito Mboweni's threats against journalists

The South African National Editors' Forum (Sanef) has condemned finance minister Tito Mboweni's social media posts that threatened war against editors.

Check out the posts below:

“ Wars start in different ways. Spears and shields, gun powder, bullets, and nowthrough media: printed and electronic (eg trade wars by a super power President), and then Social media!! Well, the SA Editors must be Editors!! If needs be, we will be forced into the fight, WAR!— Tito Mboweni (@tito_mboweni) [November 8, 2018](#) ”

“ The problem is that there will be COLLATERAL DAMAGE!!— Tito Mboweni (@tito_mboweni) [November 8, 2018](#) ”

Sanef hopes to meet Mboweni to discuss the unfortunate tweets.
