

TV licences: tax just one option

NEWSWATCH: The Ministry of Communications has reacted to some of the public's views regarding the possibility of a tax to fund the national broadcaster and says this is just one of the options, reports *Politicsweb*.

For more:

- *Politicsweb*: [SABC tax just one option - Ministry of Communications...](#) The ministry says no decision has yet been made on how to fund the SABC. For many members of the public the ideal would be for the national broadcaster to be run efficiently and be self-funding, without any tax or other financial burden on the public.
