

Need saving from the humdrum daily grind?

TEARS Animal Rescue & Hill's #savedbythedogs invites you to take a breather to spend a little time with TEARS' four-legged superheroes in The Company's Garden, central Cape Town on Wednesday, 15 April, 11am to 2pm (and monthly thereafter). Come walk a dog, play with a puppy and have some fun - the healing powers of a wet nose and wagging tail are legendary. For info, follow #savedbythedogs, or contact TEARS on 021 785 4482/061 722 7903, or visit bit.ly/savedbythedogs.
