Fastjet adds Harare-Bulawayo route to network

Fastjet will add daily flights between Zimbabwean cities Harare and Bulawayo to its network from 20 July 2018. This flight addition makes Fastjet the first affordable airline to operate the Harare-Bulawayo route.

With the addition of the Harare-Bulawayo route, Fastjet's network in Zimbabwe comprises of four destinations with more than 100 weekly flights. Currently, the airline operates flights between Harare and Johannesburg in South Africa four times daily, between Harare and Victoria Falls twice daily, and up to three times per week between Victoria Falls and Johannesburg.
