

ICT Speaker - Limited Fee Offer

Entrepreneurs need to be at the forefront of the Fourth-Industrial-Revolution particularly when it comes to digital transformation. Targeted especially to the SMME market who is the growth of our economy. If you require workshops to be run or a public speaker for your conference events, I'm running a special from June until September. I will be donating to 10% of each of my earnings per engagement to an SME in need of it.

Speaker Fee Limited Offer of R9, 900 excl.
