

BizTrendsLIVE! January 2019 speaker line up

Issued by Bizcommunity.com

6 Dec 2018

Bizcommunity invites you to join us as four 'Afro-futurists', all published authors, all experienced global keynote speakers and trend consultants, impart their knowledge in one intensive morning session that will set the course into 2020 and beyond.

The BizTrends Report is published in early January each year, with contributions from over 120 multi-industry trend analysts. Now the definitive month-long trend focus will culminate in BizTrendsLIVE! - a networking event in Sandton, 31 January 2019, in proud collaboration with Cinemark.

Bizcommunity extends grateful thanks to the incredible contributors who have agreed to share their trend equity with us. Their content has been curated to inspire and set the course for business and brand owners in 2019 to Join our Vision for Africa!

Meet the Afrofuturists:

□ Louise Marsland (Bizcommunity Africa Editor) - The Trend Hunter

BizTrends initiator and curator since 2007 and current Bizcommunity Africa Editor, Louise Marsland, will MC and intro the event with a comprehensive overview of key trends of the year. **Follow:** [@Louise_Marsland](https://twitter.com/Louise_Marsland)

□

Leslie Adams (Head of Sales for Cinemark) - The Trend Visualiser

Head of Sales for Cinemark, Leslie Adams, will share the future creative and business opportunities in VOD and future trends in video and cinema. **Follow:** [@Les_adams](https://twitter.com/Les_adams)

Dr Sibongile Vilakazi (Customer Experience Consultant at Kantar)

With a PhD in Organisational Development and Diversity Management, Business Strategy lecturer at the Wits Business School and Customer Experience Consultant at Kantar TNS, Dr Sibongile Vilakazi will put a value-added academic spin on trends in customer-centric organisations. **Follow:** [@lamphephethe](https://twitter.com/lamphephethe)

Bronwyn Williams (Flux Trends) - The Trend Translator

Innovation & marketing consultant, business trends analyst, trend-researcher, published author and speaker, whose keynote addresses focuses on how the intersection of shifting consumer mindsets and technology impact on business, with the invitation to join her on a mission to understand the world and the people who live in it.
