

## G-Star RAW

On 15th May, international denim pioneer G-Star RAW marked its South African presence by hosting one of their globally renowned RAW Night events in Johannesburg, an eclectic evening of live music, art and denim innovation.

Johannesburg's RAW Night transformed Arts on Main, the city's premier hub for contemporary art and creativity, into a space of denim worship for the evening. Known for his cult-like following, underground musician Okmalumkoolkat performed live, alongside installations of Faith47 and G-Star RAW's atelier Amsterdam's showcase of exclusive denim art objects. Notable guests of the evening included DJ Euphonik, Chiano Sky, Tamara Dey and Isaac Klawansky, Eda Rose, Chad Saaiman, Masego Maps Maponyane, Bonang Matheba, Nakhane Toure, Thapelo Mokoena and Boitumelo Thulo.
