

## Roxette support act named

The South African acoustic rock band Watershed has been confirmed as the support act for Roxette on the South African leg of their world tour.

Since their breakthrough in 2000 with their single Indigo Girl, Watershed have solidified their reputation as one of the most respected and decorated bands to come out of the southern tip of Africa. Their distinctive melodic guitar sounds blend with the sultry tones of lead singer and songwriter Craig Hinds' voice to create a soothing and classic rock sound that is easily recognisable and yet utterly unique. Their albums and singles have consistently been rewarded with Gold and Platinum status both locally and abroad.

Roxette's ongoing world tour will lead up to the celebration of the band's 30th anniversary in 2016 and 'Roxette XXX - the 30 biggest hits' is on sale now in support of the tour.

Tickets are on sale from [www.bigconcerts.co.za](http://www.bigconcerts.co.za) and [Computicket](http://Computicket)
