

## Breedezicht Estate celebrates Earth Day

This week in celebration of Earth Day on 22 April 2017, Hugo La Grange and his team at Breedezicht Estate planted trees at Vondeling Primary School in the small coastal town of Witsand.

Earth Day is an annual event, celebrated worldwide, which demonstrates support for environmental protection. Breedezicht Estate would like to challenge other businesses to also make a difference in honour of Earth Day. Breedezicht Estate is situated in Witsand, only 300 km from Cape Town CBD, in the heart of the Overberg. For more information on Earth Day please visit, <http://www.earthday.org/>.
