This year's winners will be announced online on 2 November 2, 2022, and celebrated at a special in-person event on 16 November 2022 at Sony Hall in New York.

Young Guns is the industry's only global, cross-disciplinary, portfolio-based awards competition that identifies and celebrates today's vanguard of young creatives. This year's entries were judged by a diverse jury of 96 top creatives — many of whom are past YG winners — from 41 countries.

Young Guns Cube

All Young Guns winners receive a unique version of the iconic Young Guns Cube, designed exclusively for this year's incoming class, and have their permanent profile page added to the Young Guns website.

Winners also get a complimentary one-year One Club for Creativity membership, permanent membership in the Young Guns network, a chance to be featured in Young Guns events and an assortment of career-boosting opportunities from Young Guns sponsors.

Programme branding and design of the Cube award itself are reimagined each year by a past Young Gun winner. This year's has been designed by Zipeng Zhu (YG13), founder and creative director at Dazzle Studio New York. The font for the YG20 branding is created by NaN Berlin.
