

Jam Media offers free PR workshop as part of Mandela Month

This year, as part of its Madiba Month celebration, Jam Media will share knowledge and skills in PR, marketing and social media with ten SMEs in a free workshop on Monday 18 July from 8am to 10am in Cape Town.

The free workshop will give participants the opportunity to network with other smallish business owners and learn the five biggest and most effective trends that will dominate the SME space over the next 12 months. They will mingle with other like-minded business owners, learn marketing tips and tricks currently trending worldwide and receive personal insight into their business and its strategy.

As space is limited to ten people, please respond to Count Me In! or email jess@jammedia.co.za.
