

## Get filming! 2018 CTIFMF entries are now open

Submissions for the 2018 Cape Town International Film Market and Festival (CTIFMF) are now open. Local and international filmmakers may submit their films in the following categories: feature films, documentary, animation, and short films.

Only films completed not more than 18 months prior to the call for entries will be considered for competition purposes; films completed before this time will, however, be eligible for screening in the Panorama Section.

This year's focus is on collaboration along with the celebration of the local, regional, pan-African, and international film industries. The CTIFMF will be held from 9-19 October 2018
