

Galileo Open Air Cinema returns with 3 new concepts

The Galileo Open Air Cinema in Cape Town will be returning with three brand-new concepts: The Galileo Royale, The Galileo Picnic and The Galileo Drive-In.

The Galileo Picnic

The Galileo Picnic provides the classic and cherished Galileo experience, with a local artisanal market, giant lawn games and social picnic before the start of the movie at sunset. Friends and families come together on Thursdays, Saturdays and Sundays at the magnificent Kirstenbosch Gardens and various wine estates across the Cape Winelands for a magical evening of blockbuster movies, delectable food and beautiful memories.

The Galileo Royale

The Galileo Royale is a spin-off to the popular Galileo screenings taking place every Wednesday. Lap up the luxury and the royal treatment with a one-hour live music performance, movie, backrest, blanket, welcome drink, appetiser and popcorn – all included in your ticket price. This unique affair will only cater for a limited number of couples and movie-goers so pre-booking is essential.

The Galileo Drive-In

The Galileo Drive-In will form part of The Galileo's schedule every Friday, as the need for a Covid-19-friendly option has been appreciated by moviegoers across the Cape. With a range of family-friendly favourites lined-up, you can park backwards and cuddle up with your loved ones and pillows and blankets in the boot. Pre-order a selection of goodies with your tickets or bring along your favourite snacks for a nostalgic night out.

Ticket prices:

The Galileo Royale: R290p/p (includes entry, movie, backrest, blanket, welcome drink, appetiser, small popcorn)

The Galileo Picnic: R109 – R130 depending on your ticket selection

The Galileo Drive In: From R250 for two people
