According to a report on CNN, "the 16-time world champion [Ferrari] hadn't won in Melbourne since 2007 and its last victory of any description came back in 2015, when Vettel won the Singapore Grand Prix."

“ 🏆🏆🏆🏆 HAMILTON: 189 races, 53 wins, 3 world titles

Said Vettel: "It's been a great day for us. The team has been working so hard at the track as much as back at the factory. It's a great feeling. "Grazie mille", you can't say much more. The last months have been really intense, it's been tough to get into the rhythm. It's just the beginning and there's still a lot of work going on. This is one of many steps and we have to enjoy what we do. It's great to see people smiling. Now we have to reset to go to China and try to do a good job."
