The [following changes](#) have been after consultations with cabinet and the National Coronavirus Command Council (NCCC):

- Curfew has been extended to 10pm - restaurants will, therefore, be able to extend their dinner services; this will also give staff enough time to return home. The sale of alcohol remains prohibited.
- Accommodation facilities will open for leisure purpose; no more than two people may share a room, except for nuclear families. Individuals will be required to remain in their provinces for all leisure purposes.

- Short-term rental sharing services remain closed.
- Guided tours allowed in open-top vehicles.
