

# Youth Social Media Marketing Conference 2013

Issued by [Branded Youth](#)

14 Jan 2013

The first social media marketing conference in South Africa organised specifically for brands that are trying to effectively engage with the Digital Generation.

This one-day conference will be held on **14 of March 2013** at **The Venue, Melrose Arch, Johannesburg** at a cost of **R2499 per delegate**.

The youth social media marketing conference seeks to re-educate delegates on industry trends and developments with regards to the youth market. More than just keeping up-to-date, it seeks to inform delegates of effective current and new means of effectively engaging the youth through social media platforms.

- Find out the best and newest ways to market brands to the youth market through social media
- pick up actionable tips to improve your marketing with the different social media platforms
- Discover new strategies that will draw the youth to your brand in a bid to build communities and ultimately sell products and services through social media
- Discover how to leverage content to sell, and how to move the youth to action with content
