

Point of Sale Cardboard Engineer/Designer

Remuneration:	negotiable cost-to-company
Location:	Cape Town, Epping Industria
Education level:	Diploma
Job level:	Mid/Senior
Type:	Permanent
Company:	Clarion Printed Products

Industrial designer for point of sale

- Seeking an experienced industrial designer who has previous experience working with cardboard engineered point of sale products within the printing industry.
- Candidate will be working on Faster Displays, which is a European patented POS range of products designed and manufactured exclusively by Clarion Retail in Cape Town.
- We are looking for an industrial designer who can visualise and think in 3D dimension with great creativity, a serious eye for attention to detail and ability to not only design, but set up print files for production of the POS units.
- Must have experience working in illustrator and Indesign.

Please forward cv to: blake@clarion.co.za/caroline@clarion.co.za

Clarion is a well established print company who services many Global and South African leading brands within the retail and FMCG market.
